

SPECIAL ONLINE EDITION

RESCUE *Princess Fionna De La Croix*
FROM THE **CLUTCHES** OF THE **EVIL WIZARD**
PIETRO GRIMALDI
SPECIAL ONLINE EDITION

Setting:

The Veetians are known for their music, food, gondolas, and dumb accent. Oh, and their undying proclamation they invented all forms of love. This is, of course, crap, but hey, their food is really tasty.

Adventure:

"... so please save her before the evil man corrupts our love!" wails the love-besotted Sir Felicio Sebastiano. His nerve-wracking crying and disgusting (and loud) declarations of love for his "stolen Princess Fionna" is only offset by the money he is paying you. So, go steal the Princess back.
